

2020: Global pandemic, local requirements

- Opencast: Scalable, flexible, and reliable
- Live streaming
- Opencast Studio

- BigBlueButton / Zoom

Are you happy with how Opencast performed during the pandemic?

2020 Opencast community

- Lower community involvement
- Reduced coordination

+ Opencast Studio, BigBlueButton, Zoom integration

+ Dev&Hack camp, webinars

+ WordPress, HP5, Moodle

+ DACH-Meeting

+ 2019/2020 crowd funding: ... plus a stand-alone video editor

+ New website

Overall performance:

1. **too little, too late**
2. **break even**
3. **the community was helpful**

Board goals 2021

- (Re-)activate the community
- Post-pandemic strategies: What's next?
 - Virtual vs. hybrid vs. online vs. presence: Educational and organisational changes
 - Recording vs. live streaming vs. live interaction vs. WebRTC vs. quality vs. chaos
 - Edit / sample / reuse / collection (non-OER)
 - Improved integration, rights management, access control
- BigBlueButton
- Opencast Studio
- Video portal
